

Dear Men:

July 1, 2007

Summer is officially here! Praise God for the great weather and for another solid month of building and uniting men. June was a very good month for *The King's Men* (TKM) apostolate from a strategic planning perspective. Co-Founder Damian Wargo and I have been closely working together at our office in Quakertown, PA and are in the process of laying the foundation for the short and long-term success of the young apostolate through our first ever capital campaign which was officially kicked off at the home of our friends Robert and Maggie Biggs on Saturday June 30, 2007.

TKM had a great meeting with The Knights of Columbus on Sunday June 3rd in Downingtown, PA. The purpose of the meeting was to share with the Knights our formation and accountability programs in the hopes of bringing this 125 year old organization a program for masculine development. This fourth accountability and formation group is projected to begin outreach in the month of August with one of the goals being to attract new and younger men to the Knights through the TKM model.

The No More Porn Tour returned to the sexually oriented business (SOB) known as "Adult World" in Montgomeryville, PA on Wednesday June 6, 2007. Damian and I along with our usual band of brothers charitably outreached from 3-7 PM to many men and women. We engaged three men in a prolonged conversation with the end result being their immediate departure from the SOB. These men courageously accepted our challenge to vacate the premises, but before doing so, we equipped them with much to think about and our anti-pornography literature for further reading and reflection. We pray that these men will continue to turn away from the entrapments of sexual sin and look to God for His abundant grace and mercy in living a sexually pure life. For more information about the Tour and our future stops please log onto www.thekingsmen.us.

As some of you may or may not know, I host a radio program called "The King's Men" on Holy Spirit Radio 1570 AM (www.holyspiritradio.org) every second and fourth Friday of the month. On Friday June 8th, I hosted this typically guest Q & A program by myself with the hope of educating our estimated listening audience of 50,000 on how to overcome an addiction to pornography. I shared on this program my own personal struggles with pornography and how through God's great mercy and grace that I was able to overcome this addiction and find freedom from habitual sins against purity. If you would like to hear this program as well as other TKM archived programs, please go to our website and click on our "radio podcasts" page to download this informative podcast.

Unfortunately, there is never enough space to tell you all that happened during the preceding month, but my hope is that these updates will help you feel more connected to the work of the apostolate. Once again, thanks for all your support and encouragement!

Gratefully Yours,

Mark Houck
